SUMMARY

Enthusiastic Internship Trainer experienced in developing confident, competent students. Builds positive relationships with education, workplace and student teams to maximise development opportunities. Adapts coaching styles to learners' needs for increased engagement.

EXPERIENCE

INTERNSHIP TRAINER, 08/2024 - Current

Pantech.Ai, Chennai, India

- Monitored intern performance, providing constructive feedback and guidance to facilitate professional growth.
- Completed health and safety reports, following company policy to review prospective internships.
- Evaluated organisations ability to create beneficial and constructive supported internships.
- Conducted regular review meetings with interns to discuss achievements, challenges, and set goals.
- Organised team-building activities to promote a cohesive and motivated intern cohort.
- Helped with induction and training at interns' work placement to help learners get most from experience.
- Maintained up-to-date records of intern attendance, progress, and feedback to inform future training improvements.
- Compiled and shared resources and reading materials to supplement training sessions and encourage self-directed learning.
